CARE has an exciting opportunity for our dedicated staff members to attend The Humane Society of the United States' Animal Care Expo in Las Vegas from April 15-18! This is a unique chance for our team to learn grow, and bring back valuable knowledge to better serve our community and animals.

However, this isn't in our normal budget, and we need YOUR support!

Every donation, big or small, helps us get there. There are a few different ways you can donate to our fund:

1. Venmo us @Care-Humane-Society and write "Continued Education" as the description.
2. Send an email to tjmccullough@carehumane.org directly for donations/sponsorship opportunities.
3. Use our DonorPerfect link

Thank you to our amazing community for your endless love for animals and your trust in our mission. We strive to be the best for you, and every dollar truly counts. We won't take this for granted! Let's

Adopt Aggie

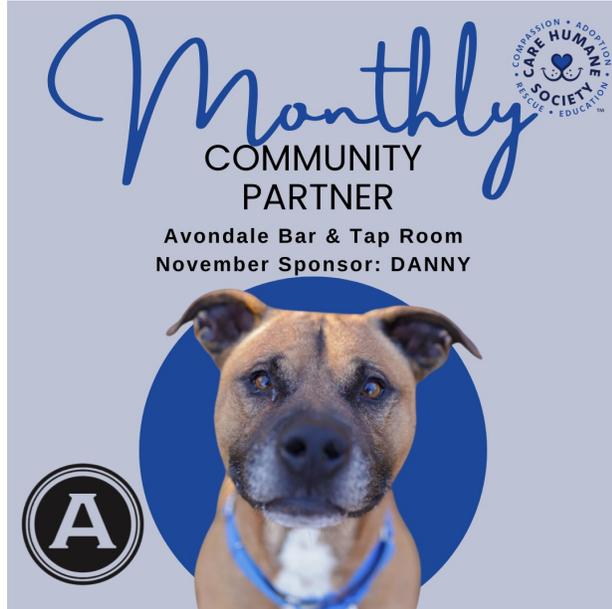

A special thanks to **Kent McCown Group; Coldwell Banker Alliance** for sponsoring **Aggie** the month of November!

Interested in adopting Aggie? Her adoption fee is covered thanks to Kent McCown Group; Coldwell Banker Alliance.

Meet Aggie:

This sweet girl has been with us for 295 days, and she's ready to find her forever home. Aggie loves spending her days playing with other dogs and her favorite toys. She's best with older kids since she can get a little too excited around little ones. If you're looking for a cuddle bug, look no further—Aggie is all about snuggling up after a fun day!
A message from Aggie's foster: She is obsessed with car rides (and pup cups!), enjoys playing with toys, loves laying on the couch with you, and is always up for long walks.

Don't miss out on this sweet girl; she would be the best companion and can't wait to find her forever home.

A special thanks to **The Avondale Bar & Tap Room** for sponsoring **Danny** the month of November!

Interested in adopting Danny? His adoption fee is covered thanks to Avondale Bar and Tap Room!

Meet Danny:

Hi, I'm Danny, a lovable 4-year-old pup with a big heart and a playful spirit! Despite facing challenges, I'm resilient and social with other dogs, though I'm not the best fit for cats.

I'm a total sweetheart who craves attention and affection from my favorite humans. I've been treated for heartworm, received all my vaccinations, and am neutered. I'm sweet and eager to find a family to call my own!

Employee of the Month:

"Hi, my name is Ella, and I'm a junior majoring in Public and One Health at Auburn. I'm originally from South Carolina, and I moved here for college in 2022. I started working at CARE this past March, and I absolutely love it! I've truly found my passion by working with our animals and helping the community. You can usually find me behind the front desk or in intake. Thank you for supporting CARE, and War Eagle!"

Volunteer of the Month:

Huge shoutout to Collin, our Volunteer of the Month, voted on by staff!! He is always spoiling our dogs, walking and running them, and even taking them home for a couple of nights!! Collin is fantastic at sending lots of pictures, helping us keep our website and social media up to date!! In just the last two months, he has logged 30 volunteer hours, and that doesn't even include his hours doing Weekend Warriors (fostering)! We are so grateful he is a volunteer with us!
